

2013/2014 High School New Student Information

Calvary Chapel High School was established to meet the educational, social, and spiritual needs of the children of Calvary Chapel of Costa Mesa, pastored by Pastor Chuck Smith. CCHS is a ministry of CCCM, building up Christian leaders in mind, body, and soul through Biblical truth, character development, and strong academic pursuits enabling students to serve and enjoy Christ and their community. All of our classes are taught by teachers who love Jesus, love teaching, and love their students. It is our desire to build a solid foundation of knowledge while also ministering to the needs of the whole child. We do not seek those that do not have a relationship with our Lord Jesus Christ. We desire students that will honor God, serve others, grow daily, and enjoy the life God has given them. Please reference our website at calvaryschools.org for more detailed information.

Below you will find some basic information about our school. We encourage you to apply early and make it a matter of prayer.
